“Turning Theory Into Practice”

The New SEN Framework

Training Dates Now Available
Spring Term 2015

(Training also delivered on-site - please call to discuss requirements)

Are you ready for ‘The biggest shake up to SEN provision for 30 years’ ?

Do you know what to do as a
parent/School/College/Local Authority/Healthcare organisation or professional?

Do you know how to deal with costly disputes or prevent them from arising?

Award-winning Douglas Silas specialises exclusively in SEN and has done so successfully for nearly twenty years now. He has advised & represented thousands of parents of children/young people with SEN/Disability and has trained many people (both parents and professionals) in this field over many years. Douglas is widely respected and both nationally and internationally recognised as a leading expert in his field. His website at www.SpecialEducationalNeeds.co.uk is also highly acclaimed and widely used as a resource by both parents and professionals.

Douglas is also the author of ‘A Guide To The SEN Code of Practice (What You Need To Know)’ [2014].
